

RATIONALE

Technical Paper and Project Report writing is an essential skill for all professionals. A report has one purpose to inform as clearly and simply as possible. The technical education personal needs preparation and presentation of knowledge and skills. This workshop help students in encouraging young research enthusiasts in the field of engineering and technology to engage in vigorous research and take students personality at new level. Therefore this workshop will enable the students to resolve challenges of today's era in most effective way to build their skills to improve the quality of writing skills for technical paper and project report.

MAIN CONTENTS

- Introduction to Technical Paper (Structure)
- Technical Paper writing Skills (Theory)
- Technical Paper writing Skills (Demonstration)
- Introduction to Project Writing (Structure)
- Project writing Skills (Theory)
- Project writing Skills (Demonstration)

FACILITIES AVAILABLE :

- Online facilities.
- Expertise.
- Strong administrative support.

REGISTRATION

- This workshop is **only for VIth Semester students of Polytechnics in Maharashtra.**
- The registration is on first come first serve basis.
- This workshop is **Online** mode with google meet platform.
- Scanned copies of completely filled registration form recommended by HOD / Principal should be uploaded on following google form - <https://forms.gle/Q2f1CP7uSn3MvUoZA>
- Registration will be scrutinized and acceptance will be conveyed through mail.
- Applicant must satisfy the condition mentioned in TARGET GROUP.
- Full attendance during course will be mandatory for issue of the certificates in soft copy.

IMPORTANT DATES

Last date of Registration: **13th April 2022**

Selection of participants **14th April 2022**

Intimation to participants by E-mail:

14th April 2022.

Resource Person

The course lectures will be delivered by the faculties from premier academic institutions

Target Group

This workshop is inter – disciplinary for the VI Sem. /final year Students from Polytechnics (M. S.)

REGISTRATION FORM

Maharashtra State Board of Technical Education, Mumbai

Sponsored

Two Days State Level Workshop **(Online)** on
**Technical Paper Writing and
Project Report Writing Skills for
Diploma Students 2021-22
(All Branches)**

16th April to 17th April 2022

Organized by

Government Polytechnic, Bramhapuri

(Fill the entries in CAPITAL LETTERS only.)

Name _____
Surname First Name Middle Name

Year & Branch _____

Name of Institute: _____

Address: _____

Participant E mail: _____

Mob. No. : _____

Declaration:

I/we agree to abide by the rules and regulation of the training.

Signature of participants: _____

Recommendation by HOD / Principal:

The applicant satisfies Target Group and is recommended and forwarded.

Place:

Date:

Signature of HOD/Principal with seal

WORKSHOP OUTCOMES

The theory, practical experiences and relevant soft skills associated with this course are to be taught and implemented,.

- The students get idea about writing a technical paper and help to update knowledge in the area of engineering.
- The students will become confident in writing skill.
- After attending the workshop the student will publish and present a paper in journals / conferences.

VISION OF THE INSTITUTE

To Provide Skilled Diploma Engineers with Professional Ethics to Cater to the Changing Needs of Industries and Society

MISSION OF THE INSTITUTE

M1 : To develop knowledge and skills through learning-teaching process and extra-curricular activities.

M2 : To develop and maintain infrastructure for academic excellence.

M3 : To update competencies of students and staff through Industry-Institute Interaction.

M4 : To inculcate ethical values through life-long learning for sustainable development.

VISION OF THE CIVIL DEPARTMENT

To Develop Competent Diploma Civil Engineers by Imparting Knowledge and Skills.

MISSION OF THE CIVIL DEPARTMENT

M1. To implement effective learning- teaching process.

M2. To impart knowledge and skills of Civil Engineering as per industrial need.

M3. To provide learning environment and training to students and staff.

M4. To develop responsible Civil Engineer by inculcating Social and Ethical values
